Notice Inviting e-Tenders for Empanelment of Suppliers for the supply of Hand-tufted Carpet Metallic Frames to the Handicrafts weavers in Mirzapur-Bhadohi Mega Cluster under Comprehensive Handicrafts Cluster Development Scheme (CHCDS)

The last day of uploading of bid(s) is **17th November, 2016, upto 1:00 PM.**

The Office of the Development Commissioner (Handicrafts), has introduced Comprehensive Handicrafts Cluster Development Scheme for Integrated & Holistic Development of Mirzapur Bhadohi Handicrafts Mega Cluster (covering entire Mirzapur Bhadohi District). As per the diagnostic study and Detailed Project Report (DPR) of the Mirzapur-Bhadohi Cluster, assistance to individual carpet weavers/units/ weavers federations/ registered contractors etc. is proposed, where the hand-knotted Carpet Metallic looms and hand-tufted Carpet Metallic frames will be distributed across the Cluster to the Artisan trained under CHCDS project at subsidized rate. For hand-knotted Carpet Metallic looms and hand-tufted Carpet Metallic frames, Government of India's contribution will not exceed 80% of the total cost of the loom and balance 20% will be contributed by the beneficiary. For SC/ST beneficiaries contribution may be relaxed to 10 %. The specified loom will be sourced from the Empanelled Suppliers.

1. Background

Indian handmade carpet industry provides employment to over 20 lakh households in India, majority being the poorest and most disadvantaged sections of the society. Besides, handmade carpets have always been a foreign exchange earner as this enterprise is almost totally export oriented. Indian carpets are known the world over for their exquisite design, subtle elegance, attractive colors and workmanship. However, due to increased competition in the international market over the years, the income of the carpet weavers has not been increasing in real terms. The Loom and frames used by the carpet weavers in the cluster are outdated and not in the proper working conditions. Also, due to lack of awareness and involved paper work, weavers abstain from taking loans from the bank, preferring the local money lenders. The interest offered by these money lenders are exceedingly high and buying a loom from that money is normally a weaver's last preference. If these weavers were offered looms at subsidized rates, weavers will be able to upgrade from the old loom to new loom at minimal cost. It will improve their current efficiency and subsequently help to increase their earnings. It will also encourage them to purchase their own assets instead on those provided by the contractors.

Therefore, with a view to preserve and give a fillip to this art form, the Office of the Development Commissioner (Handicrafts) is planning to launch a scheme for distribution of carpet looms/frames , with a view to enhance the weavers' output / productivity leading to an increase in their income.

The scheme aims to provide financial assistance maximum to the extent of 80% for the price of the first two looms and 60 % for the additional two looms per units. The beneficiary of the scheme will contribute the balance 20% and 40 % accordingly. The scheme is proposed to be operated through empanelled engineering firms/workshops in the carpet concentration area. Accordingly, it has been decided to invite technical and financial bids on the basis of scope of work and eligibility criteria.

2. Empanelment of Suppliers

For the purpose of supplies of pre-identified hand-knotted Carpet Metallic looms and Hand-tufted Carpet Metallic Frames specifications (**Annexure-II**), e-Tenders are invited online only from interested agencies associated with manufacturing of pre designed frames etc. as per specifications, preferably based in/ around the district of Mirzapur Bhadohi.

3. Scope of Work

- a) To supply quality frames to applicants as per the specifications mentioned in the supply order. The looms have to be supplied in Mirzapur Bhadohi District in coordination with implementing agency.
- b) To offer any other support as desired by the O/o IICT, Bhadohi for successful implementation of the scheme. Such as warehouse, complaint cell etc.
