Subject: Priority Intervention Areas in each State under National Handicrafts Development programme (NHDP) – reg.

Sir/Madam,

In continuation to this office letter of even number dated 13th April, 2016 on the above cited subject, the competent authority has decided that any other areas in each state having number of artisans, high production volumes, uncovered so far with any interventions under any of the scheme or inadequately covered will also be treated as priority areas.

NGOs & organizations who wish to apply for new project in such areas may apply with full justification on the need for such proposals. However, the facts and figures will be verified by Office of the Development Commissioner (Handicrafts) before decision is taken.

This issues with the approval of Development Commissioner (Handicrafts).

Yours faithfully
